

Quality Management Policy Statement

RMEC Limited is an integrated Rentals, Sales and Service company delivering safe and innovative solutions for the Well Services and Energy Sector. We are committed to ensuring that we work to the highest standard, providing our Clients with a service that fully meets their demands. Our objective is to become our Clients' preferred maintenance and rental company.

We shall achieve this objective through implementing our Quality Management System which is in accordance with ISO9001: 2015.

At RMEC we are all responsible for providing and carrying out the following:

- The provision of a high quality service
- Consistent quality of workmanship
- Monitor Customer feedback.
- Provision of Training and Development for employees
- Control and monitoring of Supplier and Subcontractors performance
- Employees made fully aware of their responsibilities
- Continue to improve our Quality Management System
- Maintenance of QMS records as evidence of compliance

As Managing Director of RMEC, I will personally ensure support, direction and resources are in place to ensure all applicable requirements are satisfied and to ensure continuous improvement in the quality of service we offer to our Clients.

RMEC is open to all employees to recommend improvements to systems or to the way we work to meet our objectives in providing a quality, reliable service our Clients can trust.

This Policy is communicated to all interested parties; it is included in Induction training for new personnel and is available on our website. Operation of this Policy is monitored by the Managing Director and Office Supervisor through Internal Audit and performance monitoring and measurement.

This Policy is reviewed periodically to ensure its continued suitability.
